

ADVERTISE

with West Hillhurst Community Association

West Hillhurst values building community, so when looking for advertising partners, we prefer to keep it local. We prioritize partnerships with small businesses and our external renters.*

By becoming one of our advertisers, we hope to build a relationship with you and your company or organization, and we may approach you with more sponsorship opportunities as they arise.

Please contact the email and phone number below to get in touch about all things advertising. We look forward to working with you and getting to know our ever growing community!

*If you work for a large retail company, we still have advertising opportunities available through our arena. Please contact our team to be put in touch with Rec Media and Visual Sports Image.
